The background of the page is an abstract graphic design. It features a large, light-colored central area that resembles a sky or a body of water. This central area is framed by dark, curved lines that sweep across the top and bottom. On the right side, there is a dark, vertical shape that looks like a tree trunk or a stylized figure. From this shape, a series of dark, curved lines radiate outwards, creating a sense of movement or light rays. The overall effect is a minimalist, high-contrast composition.

Patient, friendly, and well-organized are just a few reasons why Miss Carole Gray was selected for Co-Dedication of the 1981-82 El Chasqui. Miss Gray has been teaching at Chino High for the past 14 years. She is presently advisor of the Chino High School Drill Team and has won many awards in the past few years. When asked what she feels are the reasons for the Drill Team's success, Miss Gray answered, "a lot of hard work and a closer relationship with the band." On behalf of Chino High, the El Chasqui staff would like to thank Miss Gray for her long, hard hours of work. We love ya!!!

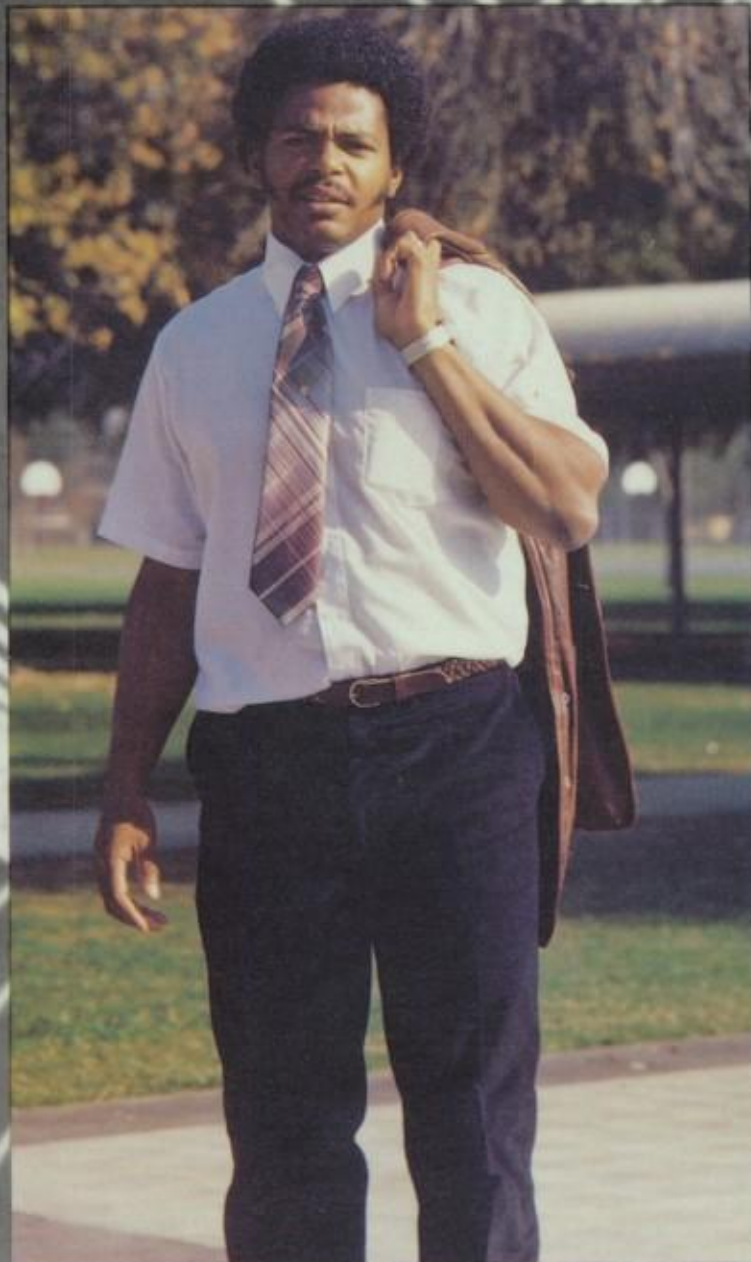

DEDICATION

Kippy Wroten has only been at Chino High for 5 years, but in that short time many changes have taken place. The band has gotten new uniforms, changed their name to the Chino 77th Regimental Marching Units, and has developed a reputation as one of the top bands in Southern California. How was this done? By extreme dedication and hard work by both students and directors. Miss Wroten has also gotten the CHS band involved in the community by performing at local supermarkets and even musicals at local churches. The El Chasqui staff is proud to select Miss Kippy Wroten for Co-Dedication of this yearbook because of all she's done for the CHS music department.

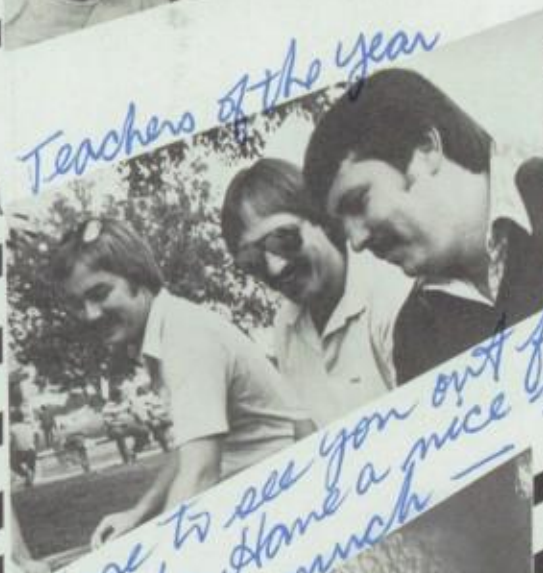

BRING YOUR DAY TO LIFE . . .

PERFORMING ARTS

A large, stylized graphic of a mountain peak composed of the word 'ACTIVITIES' repeated many times, set against a dark, starry background. The word 'ACTIVITIES' is written in a bold, white, sans-serif font, and the letters are slightly tilted to follow the slope of the mountain. The background is black with numerous small white dots representing stars, and a bright, multi-pointed starburst is visible on the left side.

DRILL TEAM

Our magnificent Drill Team at Chino High School has accumulated many awards at local competitions. They took first place at Walnut field tournament out of seven other entertainment units. They also received a first place for their spectacular performance at La Habra field tournament. They participated at the tournament of Champions which is the most challenging of all tournaments. This is an extremely important tournament for which it is a great honor to receive an invitation to. They received second in runner-up at the Montclair Band Review. At West Arcadia, the highest competition for Drill Teams, they took 2nd out of eight other fantastic groups who attended this Band Review. They went to Hawaii, at which they had four performances at different local tourist attractions. Hawaii is the biggest event for the Drill Team in the history of C.H.S.

BOYS' TRACK

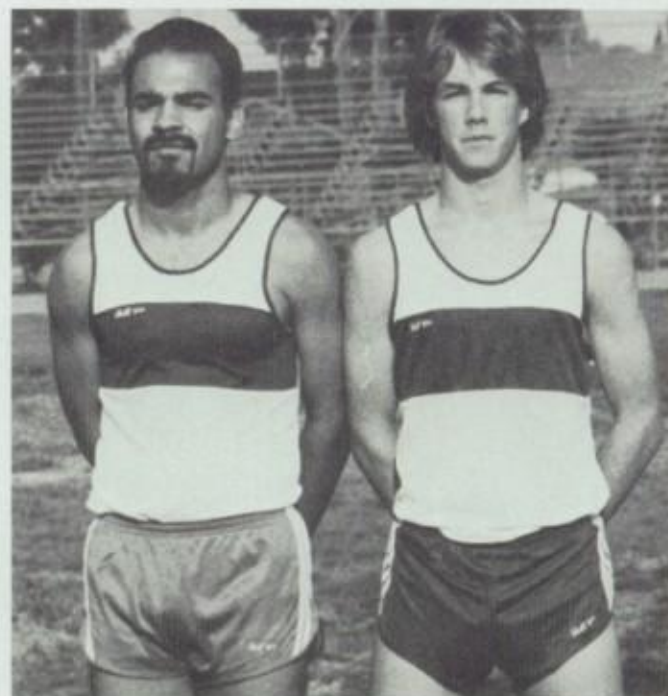

Chino High School Boys' Track team is an inspiration to the health and social life of our guys. Not only are they proud, but they're athletic too. Pole-vaulting and running isn't the only best activity, but distance running, long jumping, shot put, hurdling, and the running long jump are specialties also. Devotion and concentration are a very big part of this sport. Our boys build up a very beneficial health style, and really have a lot to be proud of. With the challenging competition they face, goes the reward of accomplishment.

1982

BLAST FROM THE PAST!!

During the 1981-82 school year many important events have taken place that will have great effect on the future.

1981 began with the inauguration of our 40th President, Ronald Reagan. He was inaugurated on Tuesday, January 20th, and entered office in a time of great turmoil. On that very same Tuesday, a crisis of great importance to the American people, was to be solved. The 52 American hostages that were taken hostage by Iran, were released and became instant American heroes.

The nations economy is in the deepest recession American people have seen in recent years. Housing, auto and other major industries had to be closed down, causing millions of workers to lose their jobs.

1981 was also a time of violence. We saw two assassination attempts in 1981 alone. One on Pope John Paul and the other was on President Reagan, and in 1982 one of the worlds greatest present day leaders Anwar Sadat, Prime Minister of Israel, was assassinated.

Progress also continued in 1981. The space program saw its biggest project since the Apollo Space Mission, get off to a successful start. The space shuttle Colombia completed two successful tests and is scheduled for a third test sometime later in 1982.

In sports the Dodgers won the 1981 World Series for the first time since 1965, beating the New York Yankees, who successfully dominated them in the past. In the 1982 Superbowl we saw the San Fran-

cisco 49ers obtain a victory over the Cincinnati Bengals for their first Superbowl win since the team was formed.

For music the ending of 1980 was one of the saddest times in musical history. On December 8, 1980 John Lennon, a member of perhaps the greatest song writing duo of all time, Lennon and McCartney, and a member of the greatest "Rock and Roll" bands of all time, was shot down in cold blood. A loss that none of us will soon forget.

In the concert scene, the rolling stones tour was the biggest story of the year. The tour set records for profits and attendance all over the country.

Video games were the big rage in 1981, Atari soon had everyone playing such games as "Pacman" and "Asteroids."

In movies, a new trend toward horror films was making the movie business millions of dollars. But the biggest film of 1981 was not a horror film. It was a high adventure film called "Raiders of the Lost Ark". It made more than 180 million dollars off it's public.

On the local scene, the school Improvement plan has brought about some changes in the Chino High classrooms. Many of the rooms were carpeted and they finally received their much needed airconditioning. A new library was also constructed along with the complete remodeling of the administration building.

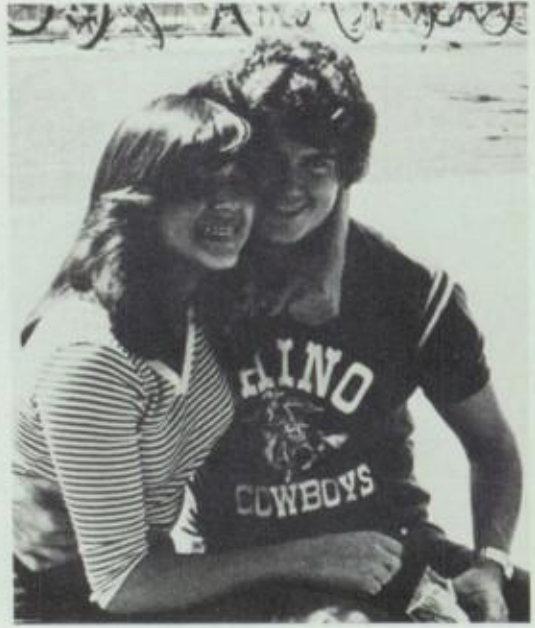

And those were the events that made up this 1981-82 school year.

Dear Greg,
What a surfeit of emotional responses
your graduation evokes in me! I am in
awe of your accomplishments, confident of
your future, and relieved that the
idiocy you've tolerated here is finally
behind you. Yet I also feel old and suddenly
unnecessary: my "little boy" is a
fledgling adult ready to take his first
flight from the nest.

Surely you know, Greg, that
although this phase of our lives has
come to its inevitable conclusion,
you'll always be my #1 man. Although
you'll never again greet me with
cookie crumbs all over your face, the
scholar, musician, orator, toy soldier,
lawn mower, and brooding Hamlet will
remain in my heart forever.

Thank you for enriching my existence.

TO MISS GRAY:

On behalf of the 1981-82 Chino High
Drill Team, we would like to express
our sincere gratitude and apprecia-
tion to our advisor, Miss Gray. We
all are going to miss not having her
as our advisor next year and want to
wish her the best of luck in the fu-
ture. She has taught us many things
aside from the friendship we estab-
lished with her. She has taught us
the real meanings of winning and
losing (knowing that winning isn't
everything). She taught us what
friendship really means and especially
how to keep that friendship between
36 girls! Even though there may have
been times that we frustrated her or
she felt she could no longer handle
us, she never turned away. We know
there have been many changes in her
life and we tried not to complicate
them more. We hope we made her
proud of us, because we have always
tried not to disappoint her in any
of our performances and even in our-
selves. We are going to miss her as
our drill team advisor and of course,
she will always be our friend!

WE LOVE YA MISS GRAY!!!

offer the maturity, insight, and

optimism of youth, that you have
given me this year. Any know-

rapport we've shared. Who cares

the enjoyment comes from the
search itself - and we can always
laugh together. Mrs. Beverly Schneider

HAPPINESS ALWAYS
Love Pete

Happiness is found within your eyes,
And what you wish to be,
And not within which isn't true,
And upon what others see.
Seeing a rainbow across your mind,
and sunshine upon the dew,
reflects not on what others think,
but what you think of you.
Happiness is found within the peace,
of open arms and love,
within the peace you find my friend,
as wind on wings of the dove.

So fly away into the truth,
The key to all mankind,
And leave alone the lies you bear,
leave them...

Cool

*As peaceful as the sunset,
As loud yet wonderous as the wind,
Traveling and moving so swiftly,
The years pass through on end.*

*The good, the bad, the lonely,
Continuing so ruthlessly on,
The memories of our friends all loved,
Stillbright as the sun still shone,*

*Thinking of the yesteryear,
Deep in your mind bears a tear,
The warmth of a friendly hand nearby,
Shake away all fear.*

*The years passed by so swiftly,
Remembrance will never forget,
All the things you've shared and done,
Good nor bad leave no regret.*

*Time has passed years have gone,
As the sun sets endlessly on,
Winters melted into spring,
As we continued our faithful old song.*

*The friendships made the futures thought,
The ideas that have yet to be grown,
The sights and sounds of life around,
Have yet to be known.*

*Take my hand and walk with me,
To the very ends of this earth,
Not only the lighted paths around,
But the dark as well for their worth.*

*Smile with me in place of a tear,
Denyall wrong with the stride,
Continue endlessly on through life,
With not against all time.*

*The time is near and we must part,
But remember through eternity,
That life is dear yet bittersweet,
In each space through out infinity.*
